

COLORADO MOUNTAIN CLUB
TECHNICAL ICE CLIMBING SCHOOL 2003

APPLICATION

Name: _____

Address: _____

Phone #: Home : _____ **Work:** _____

Email: _____ **Fax:** _____

Which group are you a member of: _____
(school is only open to current CMC members)

Are you a graduate of IRCS? Yes:- _____ **No:** _____

If not what experience do you have on rock ? _____

Do you have any experience on snow/ice? _____

The school runs for an extended period beginning in December and ending in March. Are you able to commit to the whole school?

Are you able to drive in the mountains and are you willing to car pool?

The school will meet one day each weekend, probably Saturdays. In addition we might try and go up midweek on occasion to avoid the traffic. Is this convenient to you ? _____

We will review applications and let you know. Do not send any fees at this time. The registration fee will be collected after the first outdoor session. At the outset you will need a minimum of climbing equipment but you will need a helmet (we will not permit any participant to climb or be near ice without one) a chest and waist harness, warm boots plastic is preferred but leather is acceptable if they can keep you warm for an extended period. We will cover equipment in the first session.
