Due to the need for public parking for the Bradford Washburn American Mountaineering Museum, there is no parking in the AMC lot for trips. Several alternative parking areas exist in downtown Golden.

Golden's municipal parking garages (between 11th and 13th Streets on Jackson St.) are south of Clear Creek. These are multi-level garages, so plan to meet accordingly. Parking is free. Enter from Jackson St.

The Colorado School of Mines "J" Lot on Washington Ave. (between 17th and 18th Streets) can be used on weekends only. Park after 5 p.m. on Friday evening through Sunday evening. Place a "CMC Member Vehicle Tag" (found in "Leader Information" on the website) on your dashboard.
