## RMOTHG NEWS FOR SEPTEMBER

RMOTHG members had many opportunities for fun in August: The Turquoise Lake campout; the happy hour held at the CMC basecamp with a guest speaker

on the Colorado fur trade; fun Bike Rides with lunch following the rides; and of course, all our hikes. Thank you to all the leaders and Board members who created these opportunities.

Speaking of leaders - see below for details on the annual meeting which will honor our many leaders. Don't miss it! A Delicious brunch and distinguished speaker will be on the agenda.

## RMOTHG Annual Meeting

When: Sunday, September 14,

10am-1pm

Where: Footprints restaurant at  
Fossil Trace Golf Club. 3050  
Illinois St., Golden

Join us for our Annual Meeting at the Fossil Trace golf club. We will host a brunch buffet including eggs, french toast, potatoes, and danishes, with coffee/tea. A Cash bar will be available. Fossil Trace Golf Club is nestled in the valley between the city of Golden and the JeffCo courthouse. It is gorgeous with views of South Table Mountain and surrounding foothills.

The agenda includes:

- Honoring our trip leaders and announcing our new board members.
- Guest Speaker: Salvador Bastien, a paleontologist with the Denver Museum of Nature and Science, will be sharing the stories of some of its recent discoveries and how they help us understand our planet's history. These include some amazing specimens of the iconic dinosaurs Triceratops and T. Rex, some of the first mammals to bounce back after the dinosaur extinction, and even a dinosaur fossil you may have seen in the news, recovered from 763 feet below the museum parking lot. Find out what paleontologists look for when they hunt for fossils and how you can make discoveries of your very own!
- A slide show of pictures looking back at the '24-'25 year.
