WSG Picnics: We’ll Have Two!

We will be testing July picnics this summer and fall as we see if we can make them work with each other. We’ll follow CMC’s outdoor policies and guidelines. We’ll be testing in a group size of 12, pertaining to indoor understanding, wearing a mask when not able to social distance and WAG guidelines. We will do our best to make sure these events are fun and safe. Of course, we can’t guarantee that these events will be able to happen. We are still looking for a volunteer to lead our picnic planning.
