- Western Slope Conservation Topics
On August 17, the CMC's Conservation Director, Julie Mach, gave a presentation on conservation topics in the Western Slope. Here are our past issues:

- Where do WSG Members Live?
This month we have been going through our membership database and typing the county where each person lives. There are several CMC members a presentation on conservation topics in the Western Slope. Julie covered how the CMC helps in the Western Slope including stewardship, the Snow Rangers Program, advocacy and the RIMS mobile app.

- Seeking Monthly Newsletter Volunteers
We're slowly accumulating past issues of our monthly newsletter. Here are our past issues:
