- False

Q2 ESP/Survival 2 : Hypothermia is the #1 killer of outdoor recreationists.

- True
- False

Q3 ESP/Survival 3 : The average outdoor survival emergency last five days .

- True
- False

How to get started

- Instructors send WTS group name , student and instructor emails to deborahenglish02@gmail.com
- Learners (students) and Trainers (Instructors) will receive an email from the system to set up account.
- A Trainer (Instructor) can view their group's reports but they must be signed on as a Trainer. A Trainer must change to a Learner if they want to take a quiz. See next slide for how to change.

Trainers

Trainer sees all CMC courses
Learner sees what they are enrolled in.

- At bottom left of screen, click on your initials
- Select **Trainer** from drop down menu

Click on WTS course name

Access Reports

- From course overview screen, select graph icon from sidebar.

Most helpful report for viewing individual results are shown below.

Select your group, drill down to each quiz, student and question.

Report lists individual Q&A for selected student

- Green check mark for correct answers, Red X for errors

	True	CORRECT ANSWER	

Summary

- There is only one report shown in this presentation but there are others. Another helpful report is the Results report where you can view your list of students and their scores.
- Encourage students to come to class with questions they missed. They can email results from page with their score to themselves.
- Lost ? Go back to <https://cmcschools.coassemble.com/>
