

Resume for Application for a Technical Trip Leader – NoCo CMC

List a selection of your recent climbs that are representative of your current climbing/mountaineering skills and expertise. Please include snow climbs, if applicable. Indicate your role in each climb, such as sole leader, co-leader, or follower and year of the climb.

State approximately how many climbs in total you have led that are:

- Sport climbs (bolted climbs)
- Trad climbs (using removable placed gear, at least in part on the climb)
- Number of climbs under the first two bullets that were multi-pitch climbs
- Alpine climbs (see Alpine Climbing standard for a definition)

Describe your typical current climbing grades for leading sport and/or trad.

List a few of your notable ascents.

List any classroom and/or professionally led clinics, classes, or events you've attended and please indicate the date.

List any current certifications relative to rock, ice, snow, or alpine climbing, avalanche safety, first aid/medical, or other aspects of backcountry travel/adventure.

Please list two references who can speak on behalf of your climbing and leadership abilities (include contact info).
