

June 2022

Dear Friend,  
Happy June!

Thanks to all who contributed to the **168 trip days and 18 courses** led in the month of May. You all are amazing! Thank you for making the Colorado Mountain Club the amazing club that it is!

### Leadership Summit May 2022

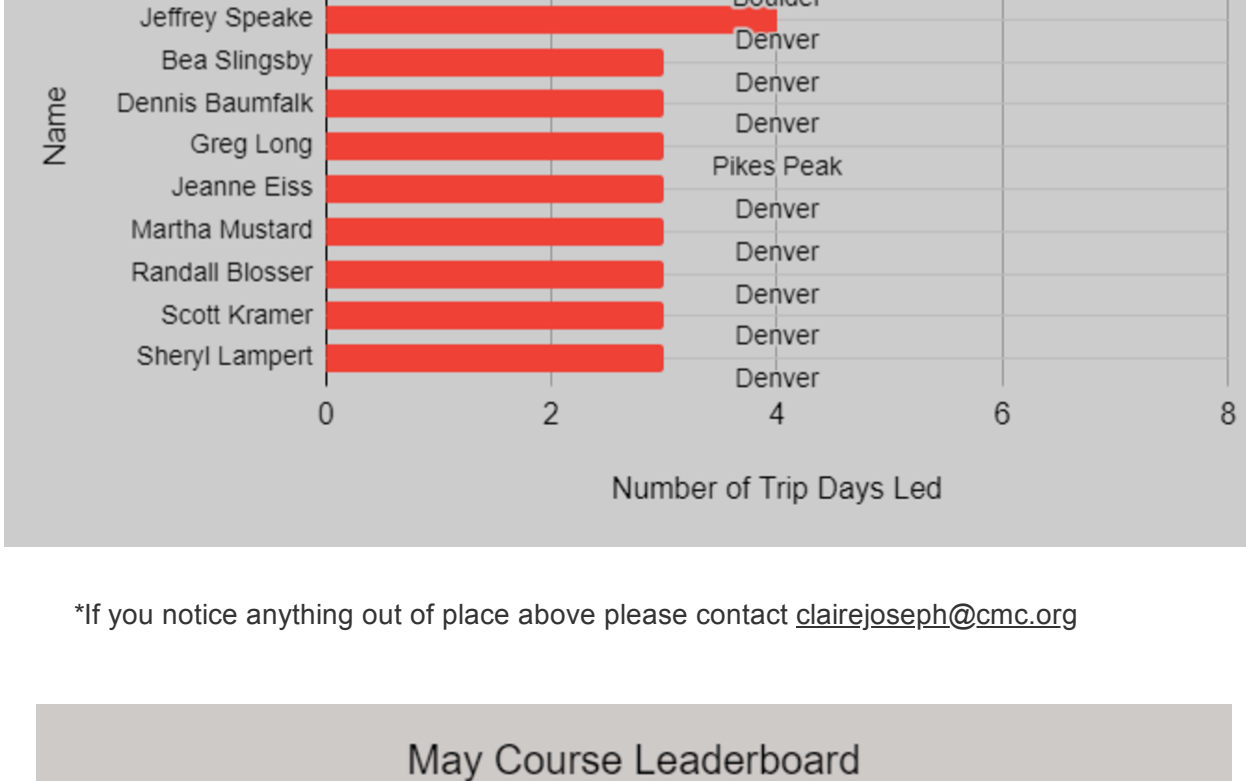

Thank you to all who came out on Friday and Saturday for Reel Rock and the Leadership Summit! We enjoyed seeing the American Mountaineering Center full of energy and passion for our mountain community. A special thank you to our corporate partners who provided drinks, prizes, and support: **Athletic Brewing, Tommyknocker Brewery, Sierra Nevada, Starbucks, CAMP, Adidas/5.10, J Walkers, Rocky Talkie, Zeal Optics, Boulder Climbing Community, Movement, Denver Mountain Guides, Out&Back Outdoors.**

### Colorado Mountain Fest: Sept. 23-25!

Save the date for a special version of the Leadership Summit this fall at Colorado Mountain Fest. Mark your calendars and stay tuned for more information. We can't wait to bring back this event in 2022!

### Volunteer Spotlight: Sheryl Lampert

Our June volunteer of the month is Sheryl Lampert. Sheryl has been a CMC member since 2001. She started with 4 seasons of Backpacking School and has taken AIARE 1 & 2, Basic Mountaineering School (now Alpine Climbing School), HAMS, and all of the classes in TCS. She completed all of the Colorado 14ers within a 3 year span, finishing in 2015. Sheryl has been a volunteer instructor since 2016 and joined the Technical Climbing School committee in 2018. She has been one of the most prolific instructors teaching ACS, HAMS, Basic Rock, Intermediate Climbing, Rescue 1 & 2, Trad Climbing, Basic Ice, Nav 1 & 2, and AIARE 1. She now directs the Alpine Climbing School and assists with Knot Tying School. She recently led a women's+ ACS cohort for the second year in addition to other women only trips. She's led well over 100 trips during her tenure at CMC. She's climbed around the world including Kilimanjaro, Aconcagua & Denali. When she isn't climbing on a rope she's using one to walk her dog Casey.

We want to extend our deepest gratitude for all Sheryl has done and continues to do for the Club! You rock Sheryl!

### Submit your nomination for next month's issue!

Each month we'll be shining a spotlight on one CMC Trip Leader or Instructor. To submit a nomination, use the button below. Any nominees not selected will be considered in the following month. The selected nominee will receive a prize. Next month's prize is a **CMC Nalgene water bottle**.

### Photo Submission Contest

May winner: Haley Berlett

This month's winner is **Haley Berlett** with this amazing summit photo! If you know where this was taken, submit the location to "[graham@cmc.org](mailto:graham@cmc.org)" with the subject "**The Lead Photo Location Contest!**". We'll select a winner in next month's newsletter. If you would like to submit a photo you can do so here.

### Permit Applications due Aug 1

All USFS winter requests are due by August 1. USFS winter months are from November 1 - May 31. The [CMC Guide to Permits](#) can be found on the CMC website under Leader Resources - For School Directors. Permit planning workshops will be held on July 11, 18, and 25. Visit the calendar for more information. On August 1, a Forest Service representative will join us for any last minute questions.

Before requesting new permits, please submit your actual use for any classes held in 2022 through [this form](#) (also found in the Guide to Permits document). **The deadline to submit 2022 winter usage (Jan 1 - May 31) is June 29!**

### Risk Management Corner

**Recent Incident:** A group of CMC hikers were in Golden Gate Canyon State Park. After enjoying a rest, the group continued before one member fell. Sliding 1-2' on their left side, the gravel trail left an abrasion. The leader responded with an initial scene survey and assessment of the injury. The assessment revealed superficial abrasions on the lower left arm and dry sterile dressings were applied. The group was able to continue on with their hike while monitoring the injured hiker to ensure they remained stable throughout the remainder of the day.

**Analysis:** The leader reflected on the need to more closely monitor the group's response to trail conditions and fatigue which may have played a role in the slip and fall. This becomes more challenging with varying hiking speeds and group members spacing out during hikes.

If you are leading a trip and observe an incident or near miss, please submit a [CMC incident report form](#). This helps us all as lifelong learners and risk managers in the front country and backcountry!

Congrats to our winner from last month's trivia question winner Linda Lawson! Linda received a CMC beanie for correctly answering questions related to lighting conditions.

### Backcountry Incident Management School

Enrollment for Backcountry Incident Management School is now open. Priority is given to CMC trip leaders and instructors.
